Setting up my Board...

Calibration:

Page 4

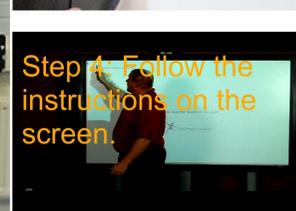

## Promethean

Step 1: Plug-in Board

Step 2: Check to see if the program is turned on 

Step 3: Hold the Pen above the lighted flame.

Step 4: Follow the instructions on the screen.

## Panaboard

Step 1: Make sure the board is on

Step 2: Plug it in to your Computer

Step 3: If nothing comes up, make sure you have the Panaboard software installed.

Step 4: If you have the software installed. Find the calibration app in your applications folder.

Step 5: Follow the Instructions on the screen

## Connect 4

### World with Labels

### Assignment:

Find a lesson on  
[www.prometheanplanet.com](http://www.prometheanplanet.com)  
that fits your curriculum.

Add or edit at least 2 slides  
using the skills we've learned  
plus any that you already  
know.
